COVER - A SAMPLING OF THOSE MAGNIFICENT MACHINES OF THE EARLIER DAYS OF MOTORING TO BE FOUND AT SANDWICH'S HERITAGE PLANTATION. THESE CARS ARE RESTORED TO SHOWROOM CONDITION. THEIR PAINT SPARKLES, HARDWOODS AND LEATHER GLOW AND NICKEL AND BRASS GLEAM AS THEY REMIND US THAT OUR MODERN TECHNOLOGY MIGHT BE MORE STREAMLINED AND EFFICIENT BUT CERTAINLY IT IS NOT ONE BIT MORE PLEASING TO THE EYE THAN THE 1903 STEVENS DUR YEA (UPPER LEFT) AND CLOCKWISE, 1909 WHITE STEAMER, 1912 PACKARD AND 1911 STANLEY STEAMER. OTHER PHOTOS PAGES 16 AND 17.

Heritage Plantation

Those who admire fine machines and great craftsmanship will delight in the collection of vintage automobiles at Heritage Plantation. Cars built between 1899 and 1937 with the great names of the auto industry such as Duesenberg, Mercer, Stutz, Cord, Packard, Rolls Royce and many more not quite as familiar today such as White and Stanley are housed there in a replica of an ingenious round Shaker barn. This barn was designed to house and efficiently feed 53 head of cattle so that a great number of workers could work at once and no one would get in the other's way. The structure is handhewn, carpeted and displays the cars on two levels. The cars

are restored to mint condition, standing and gleaming under the lights just as they were built. These cars are jewels of the art and the whole progress of the industry can be seen in the progression of horseless carriage to huge chariot. Some of these cars are large enough to resemble nothing on the road today and powered by surprisingly small horsepower engines. In these cars you can see the swing of the pendulum from light and small to huge and heavy. To those who admire beauty in machinery these cars are the ultimate in the art.

On the same grounds - The Gate House, a reproduction of an old half-Cape house, which houses the information and ticket booth and a gift shop; the Windmill, where visitors can watch it grind grain on windless days as it has a hidden motor; the Administration Building, an old home dating back to 1638 or 1639, not open to the public but an Herb Garden behind the house is open to visitors; the Military Museum, housing three collections of firearms; the Arts and Crafts Museum with two wings, one with a real old-fashioned Carousel, completely restored and run-

scaped grounds, flower beds and nature walks.

Also on the grounds is a concert stand where during the summer several concerts are held. In addition to its permanent displays, Heritage Plantation presents several special exhibitions each year.

Heritage Plantation is open until the middle of October and is well worth the trip. It is off Route 130 in Sandwich and is only about 3/4 of an hour ride from Mattapoisett.

Selectmen's Meeting

ACCORD REACHED IN
 PUBLIC SAFETY CREWS

The Chiefs of Mattapoisett's police, fire departments and rescue squad told the Board of Selectmen that a trial period during the past month has allowed them to work out an efficient and satisfactory method of coordination on response to accidents. Police Chief Tuttle said that the rescue squad is called to all accidents when knowledge of injuries is unknown. If police have reached the scene and found no injury or if a parking lot mishap is reported, or a hit and run or minor accident, all involving no human injury then the Rescue Squad will not be

called. Rescue Chief Water Morgado said that his 30 volunteer members are located in various quarters of the town. All do not respond. Those in the part of town where the accident occurs do respond and in some cases can reach the scene first because they go directly to the point of the accident. They have worked out the procedure so that there will be no pile-up of rescue squad private vehicles at the scene of an accident. Those who do arrive will pull out of the highway in a prearranged manner. Chiefs Tuttle, Morgado and Bradley all seemed pleased at their own cooperation in the month past but stated that the arrangement demands such flexibility that they do not think that it could be covered by a hard and fast written agreement, at

least for the present. They agreed to continue to work together as now, and then meet in October with the Board of Selectmen to review the results of that period.

The Chiefs then discussed the training of control center personnel. Chief Bradley has been instructing new members of the police force in techniques and will continue to work with these control center people to upgrade their methods of coordination with the fire department.

Chief Bradley suggested that one side of the street parking be studied for the entire village. He said that it would greatly increase the safety factor for ambulance and fire engine response in emergency runs. He asked about the progress of his no parking request for the east side of Pearl Street.

Selectmen said that Manuel Nunes is now having the signs made.

THANK YOU FROM MARION EMS

Selectmen received a letter from the Marion Emergency Medical Squad thanking Mattapoisett Public Safety units for participation in a disaster drill on Saturday, June 28. Mattapoisett Chiefs Tuttle, Bradley and Morgado reported this to be an excellent drill in which their personnel gained valuable experience.

GAS COMPANY STREET EXCAVATION

Selectmen received requests from the New Bedford Gas & Edison Light Company to allow the cutting and excavation of several streets in the village. Those involving Main, Church and Hammond Streets and Mahoney's Lane will be withheld until a conference can be arranged with an official of that company. The Selectmen had re-

quested, before the surfacing of the streets after the sewer installation, that all Gas Company digging be completed.

RIVER VALLEY STUDY

Selectman John DeCosta reported to the Board of Selectmen that a study by the Mattapoisett River Water Supply Protection Committee by the 4 towns of Mattapoisett, Marion, Rochester and Fairhaven has reached the conclusion that 3 million gallons of water per day are now being utilized by the towns drawing from the river. It has been determined that the safe yield of the river is 10 million gallons per day. This report will allow the towns to proceed with test wells on potential sites now under study. Selectmen Blasdale and Hubbard commended Mr. DeCosta for his time and effort on this committee and expressed their thanks for this valuable service.

AIR CONDITIONING FOR TOWN HALL?

Selectman William Hubbard suggested that the recent heat and humidity had made working conditions at the Town Hall very uncomfortable. He suggested that air conditioning be considered. The fact that open meetings require open doors and that single units would be very expensive as compared

to a central unit led Selectmen to conclude that utilization of the forced hot air heating system would be the best method. They instructed Executive Secretary Stephen Lombard to study that method for possible inclusion in the \$140,000 Town Hall renovation plan to be considered by voters at the next annual town meeting. This plan would include insulation, repair of exterior woodwork and siding for the building.

COUNCIL ON AGING REPORT

Joseph Perry reported to Selectmen that Claire Doyle had resigned from the Council on Aging and requested that the Selectmen ask the public for written application to fill that vacancy to be submitted by an August 5 deadline. He also reported that Elaine Peters has resigned as senior aide

and that the post has been filled by Mrs. Bernice Manchester.

Landfill Violations

Recently there have been incidents of individuals leaving trash and brush outside the gates and along the road to the Sanitary Landfill site. This is STRICTLY FORBIDDEN and notices to that effect are posted at the entrance to the landfill.

The Board of Health will prosecute future violations of this law.

The landfill is open for use of Mattapoisett residents Tuesday through Saturday from 8:00 a.m. to 4:00 p.m. and on Sundays during the summer from 10:00 a.m. to 3:00 p.m.

You are urged to consider these hours and once again, this Board will prosecute offenders.

CALIFORNIA STORM STAIN

SOLID COLOR STAINS — Linseed Oil or Urethane Latex

- Rich natural tones blend the color and grain of the wood but do not obscure the texture.
- Maximum hiding power in the water repellant finish.
- Cover previously stained surfaces.
- One coat for similar colors or two coats for contrasting colors.
- Deep color penetration — Helps avoid deterioration of wood.
- Mildew resistant and blister resistant on properly prepared surfaces.

SEMI-TRANSPARENT STAINS — Linseed Oil or Urethane Latex

- Natural appearance and texture allows wood to retain its natural beauty without detracting from the bold graining and configurations inherent in wood itself.
- Colors that blend with natural settings and other finishes.
- Penetrating finish helps protect against deterioration of wood.
- Weather gracefully without chipping and peeling.
- Performs better than solid color stains on decks, rails and outdoor furniture.
- Water repellant finish fully protects the natural mellowness of wood from the ravages of changing weather patterns.

BLEACHING STAIN — Transparent Oil Stain

- A natural transparent oil rich stain that quickly produces a uniform silvery gray antique appearance when exposed to natural weathering.
- Designed for use on unfinished wood only and is not recommended for use over painted, stained or sealed surfaces.
- Excellent longevity without blistering or peeling. Retains its natural weathered look throughout the years.

Residents of Marion and Rochester ap-
preciate the skilled nursing care they re-
ceive through the Marion Visiting Nurse
Association. Here, Mrs. May Hope, a
resident of Little Neck Village, is lovingly
tended to by Mrs. Paul Comacho, R.N.,
and Mrs. Shirley Hartley, R.N., nurses
with the Association.

The MVNA depends on townspeople for
funding to continue their service to these
communities. Please be generous when a
volunteer calls for the annual Fund Drive on
Monday, August 4th.

Cushing Auxiliary

At the meeting of the Benjamin D. Cushing Auxiliary held July 14th at the Music Hall, the ladies of the Auxiliary discussed their plans for the annual President's Outing.

This year members and guests will be attending the Melody Tent performance of Pearl Bailey on August 19th. Anyone wishing to attend please contact Ellen Smith at 295-0915 for information.

It was announced at the meeting that the Poppy Float entered in the July 4th Parade by the Post and Auxiliary took first prize in the Patriotic Division.

Membership dues for 1981 are now pay-

able and as always new members are always welcome.

Good wishes are sent to Mae Gibbs who is now recuperating from a serious accident in New Hampshire.

Democrat Committee

A meeting of the Town Democrat Committee, Mattapoisett, will be held this Thursday, July 31, at 7 p.m., at the home of

ROUTE 6 -- MATTAPOISETT, MA.

\$8,000 towards your new home on \$50 a month!

Our Money Wheel will get you rolling.

Wouldn't you like to have enough money to buy your own home?

Well you can. Just come in and ask for a free Money Wheel and we'll show you how.

You'll see that even a small amount saved every month will soon mean a lot.

For example, deposit \$50 a month for 10 years and you'll have put in \$6,000. But the Money Wheel will show you that your savings, at 5½% interest, compounded continuously, will actually amount to \$8,051. Which means you'll have over \$2,000 in interest.

We think you'll find it incredible how quickly your money grows.

So come in and ask for your free Fairhaven Savings Money Wheel. Dial up your own dream. Then start making it come true.

The Money Wheel (Perpetual Money Wheel) is part of the Perpetual Money Plan program.

Some of the answers you get in seconds with your free Money Wheel.

Save each month.	No. of years.	You'll have on deposit.

N. B. Symphony

The New Bedford Symphony Orchestra has received a major grant of \$1,200 from the Music Performance Trust Funds of New York for the Symphony's 1980-81 concert season.

Denise Baldomar, Board President for the New Bedford Symphony Orchestra Association, Inc., stated that: "The Symphony is very pleased by the continuing generosity of the Trust Funds and that the grant will help to expand the Symphony's plans for another concert for the area's senior citizens".

The Trust Funds grant caps the end of another successful Symphony season, with notable increases in concerts given, increasing audiences, excellent performance standards, and greater public support for music regionally.

State House
Boston, Mass.

August 1, 1979

Dear Senator Hunt:

The Board of Selectmen would like to take this opportunity to express their thanks for the cooperation and the excellent job you are doing for the Town of Mattapoisett.

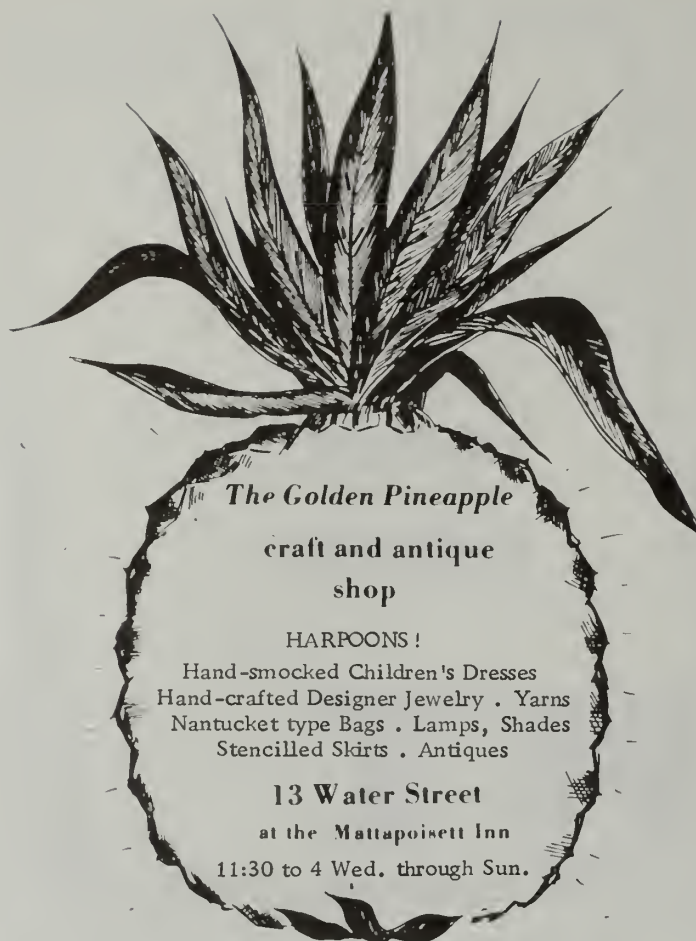

As a relatively new Senator in the State House, we realize that the job of learning the routine and also, trying to service your constituents is a most trying and difficult one; but the interest and concern that you have demonstrated in our Town assures us that we have an excellent representative in the Senate.

Very truly yours,

Board of Selectmen

Troop activities will resume in the Fall. Boys interested in joining the scout troop should watch the Presto for our announcement of the resumption of meetings.

Tobey Blood Bank

Five gallons equals forty pints. In terms of blood, that's an amazing amount. Yet five local men have donated at least that quantity over the past few years to the Tobey Hospital Blood Bank.

At a special "Dinner for Donors", held at the Tobey Cafeteria on July 16, these Wareham men were honored by the hospital for their contribution. They are Richard Melloni, 20 Cromesett Road; John Creed, 199 Datewood Street; Colin Gordon, 14 Crooked River Road; Richard F. Keyes, 6 Mayflower Ridge Road; and Howard Ladd, Pilgrim Avenue.

These donors are part of a large group who have consistently been able and willing to come to Tobey's Blood Bank and who

can be counted on to respond in an emergency.

In blood banking, those having the most universal blood types find it easier to tally up pints donated. This group, however, managed to donate large amounts even with A positive and O negative types! Some report regularly to the hospital's Tuesday evening Blood Bank every eight weeks.

Tobey Hospital is pleased to recognize these men for their gift of life to the greater Wareham community.

from 11 a.m. to 3 p.m. The Japanese culture has made the appreciation of nature a form of art. A variety of oriental arts including 'Ikebana' (flower arranging), Asian dances, Bonsai, and the legendary Japanese tea ceremony will be featured at the Festival.

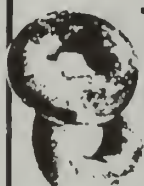

The Ashumet event will coincide with the flowering of the oriental lotus plants which grow on the Reservation. The oriental lotus boasts leaves which rise to 3 feet above the water crowned by large pink blossoms. Ashumet Holly has approximately 2 acres of lotus plants. A guided walk to view these will begin at 9:30 a.m. the day of the festival.

The Lotus Festival is sponsored by the Friends of Ashumet. Admission is charged and proceeds will be used to maintain the Sanctuary. Rain date is August 14.

Ashumet Holly Reservation is located at Route 151 and Currier Road in East Falmouth. Further details may be obtained by calling the Sanctuary at 563-6390.

then completed a rotating internship and four additional years in general surgery at the American University of Beirut Hospital.

After his stay at Harvard he studied urology, his present specialty, at the University of Michigan. And then, in 1970, it was back to Lebanon as Assistant Professor at the American University School of Medicine where he remained until 1976 when war tore apart his native land.

Since that time he has served as Chief of Urology and Acting Chief of Surgery at the Veterans Administration Medical Center in Huntington, West Virginia and as Medical Director and Urologist at the Middlesex County Hospital in Waltham.

His newly-acquired "roots" bring him to Tobey Hospital and Wareham. At Harvard, he met and married Marianne Lyons of Quincy, a graduate of Emmanuel College in Boston, who was researching "Congenital Hydrocephalous of the mice" in the Department of Neurology. Mrs. Dagher, whose parents now live on the Cape, also taught in the Quincy school system.

Dr. and Mrs. Dagher are the parents of

is offering a lower space rental to those who do than to those who don't, and most who have replied for space have responded enthusiastically to the idea. "Crafts in Action", as the event is named, will be interesting and exciting for adults and entertaining and educational for children.

All items for sale will be handcrafted by the participants and of good workmanship. No manufactured, imported, or flea market items will be accepted. Only two different categories of crafts to a table will be permitted (therefore there will be no craftspeople in the "multicraft" category). The number of tables in each category will be limited. If you wish to participate, send a self-addressed, stamped envelope with a short note describing your craft to the fair chairman, Natalie Arnold, at the Craft Cat, 249 Centre Street, Middleboro, Mass. 02346. If you have any questions, contact Ms. Arnold at the address above or call between 10 a.m. to 1 p.m.

"Crafts in Action" replaces the craft fair erroneously advertised for August at the Oliver Mill Park, Middleboro, which will not be held.

"Steering a Trick"

STEERING MY FIRST "TRICK AT SEA"

An account found in an old writing book from the attic of Jonathan H. Holmes, Shipbuilder, author unknown; given by Lydia Walker to Brad Hathaway and loaned to us. Continued

That portion of the crew whose "watch on deck" it was, had been kept busy "taking in" and resetting sails as the weather dictated the exigencies. And to me, the only passenger, and my first experience of that kind, the scenes and incidents of the day had been exciting and not altogether without anxiety - "Eight bells" (four o'clock) had just struck. The Captain had been pacing back and forth on the weather side of the quarter deck, narrowly watching a heavy black cloud laying along the eastern sky portending more evil than any other we had seen for the day. I had ensconced myself inside a coil of rope by the mizzen rigging, with my head above the sail, between two of the shrouds, where I had a full view of the sky and ocean on that side, and out of the way from all movements that might take place on the deck, but little conversation had passed between Capt. K. and myself for the last half hour, and I felt that I was

best doing my duty by not intruding myself upon his mind or notice, and thus became a silent spectator, left to my own thoughts of fancying what the coming night might prove to be.

The "watch below" had just made their appearance on deck, when the order to "take in the to-gallant sails" was given by Capt. K. This called for the services of all the crew, each half, or "watch" under the lead of their respective "mates" sprung alertly to the task, the "first" taking the Main, and the "second" the foremast; a race ensued, as to which should get their sail furled and return to the deck first. This point, a smart first officer never allows an under officer to win from him, it being considered a proof of thorough seamanship, as well

as of an efficient officer. The first mate's watch, on such occasions, shall always execute orders more promptly than the second mate's. On the other hand, the second officer, to prove his efficiency, and worthiness of promotion, feels it his first duty to be so close upon the heels of his superior, as to barely allow him to win the honour, and

thereby ensure the good opinion of the Commander, and the respect and cordiality so necessary in the family of a ships cabin and forecastle. We had a smart crew, and the officers were gentlemen in their spheres, with the intelligent appreciation of the merits and comforts of the sailors under their charge usually shown by the sons of the Cape. They all, officers and sailors, shared the ambition of the Captain and myself, to accomplish a short passage; they for the reputation as fast sailors, and I, to bring the first business enterprise to the most successful conclusion. The fact that we were nearing port, and with fair luck should

be in in a few days gave a lift to the execution of all orders, on the part of the sailors. The two divisions of the crew had barely regained the deck, when "put another reef in the fore-topsail" was ordered by the Captain, and this time the first mate with his watch spring to the weather, and the second mate with his watch to the lee rigging with the agility of cats, and seem to run over the shrouds, out on the yardarms as rapidly as if they were on terra firma, instead of swinging in the air, with only a small rope for their footing, and to hold to with their hands. The rocking and pitching of the ship seemed as if it must hurl them from their hold, flying through the air into the black, angry water, for the sea had risen to greater heighth than it had been through the day, and the ship was pitching and rolling heavily. The wind had freshened considerably, and had increased from the rank of a strong blow, into a fresh gale. (To be continued)

Boston 350

This year, one of America's most famous cities is celebrating its colorful history and Boston's 350th anniversary year could be the best time for you to visit.

Boston has far more than its share of famous sights and sites you shouldn't miss. For example, the Navy's most famous tall ship,

until you actually can see the whites of their eyes.

The show is sponsored by the not-for-profit Raytheon Historical Foundation, which built the \$2 million pavilion in 1975 for the 200th anniversary of the Bunker Hill battle. According to Pavilion officials, nearly a million visitors have seen the show during its five-year run.

The U.S.S. Constitution is still one of Boston's most popular attractions. Both it and the new Charlestown Navy Yard National Park are open daily until 3:50 p.m.

Still a commissioned naval vessel, the Constitution was nicknamed "Old Ironsides" when North African Barbary pirates during the War of 1812 noticed the way cannon balls bounced off her thick oak planking.

The live oak used in her construction grows only along our southeastern coast and came from the sea islands off Georgia. Her masts came from Unity, Maine, and South Carolina furnished the pine for her decks.

A short walk up the hill from the Pavilion and the Navy Yard is the 220-foot-high Bunker Hill Monument, which was built in 1825 to mark the 50th anniversary of the battle. The Marquis de Lafayette laid the

cornerstone. A climb of 275 circular stairs leads you to a platform that commands a sweeping view of Boston, Charlestown and Boston Harbor with its islands and old forts. Administered by the National Park Service, the monument is open daily from 9 a.m. to 4 p.m.

Nearby the Charlestown Historical Society operates a small museum displaying artifacts from the Battle of Bunker Hill. It's open Tuesday through Friday from noon to 4 p.m. and on weekends from 10 a.m. to 4 p.m.

ILLUSTRATED TALK - PERUVIANS

"The Peruvians Before Pizarro" is the subject of an illustrated talk to be given by Mr. J. William S. Cox at the meeting of the Westport Historical Society on Thursday, July 31, at 8:00 p.m. at Friends Community House, 930 Main Road, Central Village, Westport.

Mr. Cox realized his boyhood dream of visiting Lake Titicaca, Peru, when in 1979 he went to this high Andes area to investigate the remains of three very early empires

The concert will feature the music of Zoltan Kodaly, the internationally-acclaimed composer and educator who developed the Kodaly method of teaching music to people of all ages.

A rainbow of color spanned the harbor this weekend as Hobie Cats from Maine to Pennsylvania converged on Shining Tides at Camp Massasoit to race in Mattapoisett Harbor. One hundred ninety-two catamarans make a sight to remember as onlookers will testify.

The 8:00 p.m. performance, to be held in
the Recital Hall of the Visual and Performing
Arts Building (Group VI), will benefit scholar-
ship funds of the Kodaly Center of America
(KCA), which holds its summer course at
SMU.

A 1978 graduate of the Berlin Hochschule
for Musik in East Berlin, Germany, Sarolta
Kodaly also studied at the Franz Liszt Acad-
emy of Music in Budapest, where she met
and married her famous husband, who was
60 years her senior. They lived together 8
years before his death in 1967.

In 1969, Mrs. Kodaly helped establish
the Kodaly Music Training Institute, lo-
cated in Watertown, Massachusetts, with

current KCA Director Denise Bacon. In 1977 Miss Bacon established the Kodaly Center of America in West Newton, Massachusetts. This will be Mrs. Kodaly's first visit to the new institution.

The Hungarian singer is well-versed in several musical styles, including English and Italian vocal literature, German lieder and opera, and Kodaly's arrangements of Hungarian folk songs. She is presently concluding a concert tour in Europe. She will be accompanied by Hungarian pianist Istvan Lantos with whom she performs regularly overseas.

Tickets for the concert will be available at the door. Parking will be available in lots 9 and 10, adjacent to the Group VI Building.

All day (August 1) classes of the KCA will be open to the public free of charge. Classes are held in the Visual and Performing Arts Building (Group VI) at SMU.

have been made to responsive audiences at housing sites, Senior Citizens Groups, and area agencies and service clubs.

This service is available to all organizations servicing any older American with no age or group size restrictions. Anyone desiring this presentation, which may include an informative film, should call the Marion Center for Human Services, Elderly Unit, at 748-2850, or 748-2851, in advance.

A discussion of the program material will take place on Cable TV Channel 11 on July 31, at 7 - 7:30 p.m. and August 4 at 6:30 - 7 p.m. on Senior Forum. Senior Forum is chaired by Dr. Jim Peace, who is the Director on Aging for Cape Cod and the Islands.

Due to the wide reception of this program, we are in need of more volunteer aides. Anyone wishing to serve in this capacity will be trained to assist at presentations and on outreach visits. Volunteers will please call the Marion Center for Human Services to obtain more information about this exciting opportunity to be of services to the area elderly.

Tournament Bridge

Winners in the regular weekly bridge tournaments held last week at the Dartmouth

Bridge Club are announced.

Monday evening, July 21, using the Howell bridge movement to determine over-all winners only, Doris Liberty and Molly Morse were first; Jeanie Rogers and Dennis Brienzo, second; Ruth Sweetser and Emma Jaslow, third; Robert D'Anjou and Irving Shapiro, fourth; Dr. and Mrs. Lawrence S. Kennison, fifth.

Wednesday morning in the Master's section the North-South winners were Charlotte Figueiredo and Leona Pierce, first;

In the Non-Master's section the North-South winners were Priscilla Lawton and Doris Vargas, while in the East-West direction there was an unusual tie for first place by three partnerships; they were Susan Bates and Jennifer Bradford; Mary Kennedy and Marjorie Root; Elizabeth Shapira and Joanne Lada.

Thursday afternoon in the North-South direction Doris Liberty and George Leslie were first; Harriet Philips and Betty Horowitz, second; Fannie Freedman and Nessie Roy, third; Virginia Banks and Leona Pierce, fourth; Mr. and Mrs. John M. O'Leary, fifth.

In the East-West direction Helen Linehan and Rae Blumberg were first; Beatrice Wollison and Leona Rosenberg, second; Alice Lipsett and Lizette Sylvia, third; Ruth Cunningham and Marian Lammey, fourth; Mr. and Mrs. Jack J. Goldberg, fifth.

Red Master Points and is also the first qualifying step for National level competition.

Winners of this event will qualify next for Unit level and then for District level competition and Red and Gold Master Point awards. Top three winning pairs from the District will be selected for the National Pair Championships to be held in Detroit, Michigan on March 18 and 19, 1981, with travel, hotel and other expenses paid by the American Contract Bridge League.
